

Request Type Definitions

Request Type	Description
Pay by Exception (Select Pay)	A request to pay a competing NCI application outside of a payline, funding plan ranking or FOA set-aside amount.
Reinstatement of Deleted Costs	A request to reinstate costs deleted by review
Post-Award Administrative Adjustment	A standard request to add funds to an awarded grant within the scope of the project.
Interim Support	A request to provide interim support. A request to provide additional dollars and time to an award because of an expected delay, gap in future support, etc.
Skip	A request to *not* provide funding to an applicant that is eligible based on paylines or other NCI policies.
Pay Using Skip Funds	A request to fund a new grant using savings resulting from skipping a competing award eligible to be paid based on policy.
Pay Original Application instead of Scored Amendment	A request to pay a previously submitted application and not a more recently submitted application that has been scored.
Early Pay	A request to pay a future fiscal year competing grant in the current fiscal year.
Pay a Post-NCAB Transferred Application	A request to award an application that was transferred to NCI after being reviewed by NCAB as a secondary grant.
Co-fund a Non-NCI Competing Application	A standard request to add NCI funds to Non-NCI Competing Application.
Pay Conference Application	A request to pay a Conference Application.
Restoration of a Future Year	A request to restore a future year that has been deleted during review.
Phase-Out	A request to provide additional dollars to an award to support the additional work needed to close the project.
Diversity Supplement	A request to add funding to support a supplement submitted in response to a Diversity Supplement FOA.
Special Actions/Add Funds (supplements)	A request to provide additional dollars to an NCI primary grant under special circumstances, e.g., supplemental funds provided by another IC or the NIH OD; supplemental funds approved by the NCI Director using a different mechanism.
Co-Fund a Non-NCI Non-Competing Grant	A standard request to add NCI funds to Non-NCI Non-Competing grant.

Request Type Definitions

Other Pay	A request to pay an NCI grant under special circumstances, e.g., funds provided by another IC or the NIH OD; funds approved by the NCI Director using a different mechanism.
Pay Type 4	A request to fund a Type 4 application (either an extension or a transition application) in the current fiscal year.
